CONSTRUCTIVE NOTICE

RE: Written and Oral Testimony on Dec 5, 1999, Demands Concerning Hearings
with Federal Representatives.

Aloha to all of you ,

Representative of the United States Mark Van Norman, Director office of Tribal
Justice, John Berry, Assistant secretary and Aloha to all present.

First I would like to acknowledge that Today is the Lords day. Let us give him thanks
and ask his grace and guidance to be truly upon us all here today. I pray that the
representatives from the United States have an open mind to be committed to all
efforts, in seeking justice and truth: **Truth** to the end of the illegal occupation, the
revival of the Kanakamauli culture , reinstating our independent and Sovereign
Nation to be fully recognize and been fortified. So the **Aloha Spirit** can be fully
restored and the Spirit of Justice , Freedom and Liberation can once again bring
Peace on these Hawaiian Island and the world for all Humanity.

This I pray in Jesus Name. Amen

Aloha, My name is Kanoelani Medeiros, I am a Kanakamauli and I object to this hearing of reconciliation.

I have repatriated, as with many other Kanakamauli to our nation as citizens of the Lawful Hawaiian Government. The Lawful Hawaiian Government that was overthrown. Which was Acknowledge by your **Joint Resolution - Public Law 103-150. "On the occasion of the 100th anniversary of the illegal overthrow of The Kingdom of Hawaii" I on January 17, 1893.**

Reconciliation with the Hawaiians? This meeting of reconciliation is another violation under International Law. The United States cannot interfere with other Nations. All rights are only reserved to the Kingdom of Hawaii. The Kingdom of Hawaii that the United States admits in over Throwing. And not to any State entity, agent, O.H.A ; DHHL, or any other organization who are citizens of the United States they do not represent The Kingdom of Hawaii, The Nation and its people. They are citizens of the United States and consisting to the United States. Their can be no settlement or any agreements of any issues that can be settled from this meeting regarding to Reconciliation. We oppose, protest and do not consent to this hearing regarding to reconciliation. Any resolutions from this reconciliation meeting would be another Injustice to the Kingdom of Hawaii's citizens and the Lawful Hawaiian Government.

To define this hearing on reconciliation. This is not an issue of Internal affairs within the United states. This is an issue of the Foreign Affairs. Reconciliation is only reserved to the Kingdom of Hawaii, The Lawful Hawaiian Government. The deception must stop. We are not Americans and this is not the United States. By your own admission of confession you have stated in the Apology Bill, Public Law 103-150 107 Stat. 1510.

"Whereas the indigenous Hawaiian people never directly relinquished their claims to their Inherent Sovereignty as a people or over their national lands to the United States, either through their monarchy or through a plebiscite or referendum."

The Kingdom of Hawaii's Lawful Hawaiian Government has returned from exile. The government body is been reestablished and the proper authorizes will be contacting the Nations of the world of their Political status. And to conduct business as a Nation to Nation.

The United States should be working on stopping the on-going crimes, of conspiracy, racketeering and suppression of the Kanakamaulii's and their Nation. You have apologizes for the 100 years. But the conspiracy still goes on till today. What needs to be addressed are to immediately intercede and cease all land sales, by the impose laws of the State of Hawaii. Intercede over The State of Hawaii who is the creation of the conspirators who overthrew the Lawful Hawaiian Government.

By your admission of the Public Law, the United States has admitted that the so-called State of Hawaii is nothing more than the illegal military arm of a colonial power.

It has no sovereignty. It has no right to issue laws, regulations, or anything else relating to the Kanakamauli's or to the land that we are calling Hawai'i. The United States should enforce to the State of Hawaii that they have no jurisdiction over the Kanakamauli's. Have a special, temporary courts to hear cases involving any Kanakamauli citizens. The Kanakamauli citizens have no rights to a fair trial in any cases. We are Political prisoners in our own lands.

The United States integrity to the world is for Democracy, Peace, Justice and Liberty to all. Its is an obligation for the United State to reinstate the Kingdom of Hawaii and all efforts to undo the wrong that is still continuing.
